

Researcher: _____ Date: _____

Primary and Secondary RESEARCH

One person has the power to influence everyone in a school, city, nation... even the world! You don't have to wait until you're in college or are an adult. **Make your mark NOW** by acting on intelligent decisions, creating well-informed opinions and sharing your credible knowledge.

Primary Source: A **PRIMARY SOURCE** is a piece of information that was created by someone who witnessed the event **First Hand** or was part of the historical event.

Check one of the following:

- Speech Interview News Paper Art Other: _____

Summary:

Secondary Source: A **SECONDARY SOURCE** is a piece of information that was created by someone who **DID NOT** witness the event. They watched an interview with someone who was there, listened to real footage, viewed a video that recorded the event. Then, they create their own piece of information about the event.
